

Help Us Reach More People

Everyone knows someone who's hurting. Help us find them."

At Harsha Foundation, we walk beside people through some of life's darkest moments — homelessness, trauma, mental health battles, addiction, domestic violence, and more

But we can't reach everyone alone. That's where you come in.

We're asking — from the heart — for your help.

Please share our message. Share our name. Share our mission.

Every time you share one of our posts, tag us in a story, or tell someone we exist — you help someone find hope.

We need Perth to know us. We need Western Australia to feel us. We want Australia to stand with us.
Because everyone knows someone who's been knocked down. And with your help — we can be there when they need it most.

How You Can Help Right Now:

Share our page on Facebook, Instagram, or TikTok
Tag your friends in our posts
Post our link in local community groups
Send our website to someone who might need it
Tell your story — how you found us, why you care

No act is too small. Your share could be the reason someone reaches out instead of giving up.

Let's flood the streets with compassion. Let's become impossible to miss.

Thank you for being part of this movement.
With love, purpose, and hope —
Harsha Foundation
